

When we asked for her location, she did not realize why we asked — by the time we reached her area, she was already walking to another school to conduct yet another Bhavita session.

That is dedication. That is commitment. That is Bhavita spirit.

We finally met her on the road and proudly handed over the Bhavita Souvenir and Silver Medal — a small token for her unstoppable service.

She doesn't wait for recognition.

She keeps moving from school to school, touching lives.

✨ She is truly a Rockstar of Bhavita. ✨

🌙 Happy Ramadan Mubarak, Shahida!

May this holy month bring you strength, peace, and abundant blessings.
