

### Divine Spark: 57 for Bhavita

It was a moment of pure inspiration at abhaya CCL Campus, Ananthapuram, on April 5th! The inaugural day of Super 60 drew over 300 students and parents. Our Founder shared how his 57th birthday appeal had gone viral, raising over 16 lakhs for Bhavita. His words struck a chord, and a Muslim lady stood up, saying, "Swamiji, I wish to give 57 for the cause and wish you a Happy Birthday!"

The room erupted in generosity – young and old poured in small coins and currency notes. The Founder's dhoti became a makeshift collection bag, and in just 10 minutes, Rs.7125/- flowed in! It was as if a divine spark had ignited the crowd, transcending identities and connections. - Team abhaya
