

### A Tale of Two Exceptional Civil Servants!

I had an incredible encounter with Dr. V Vinod Kumar IAS, Collector of Anantapuram, on 4th April 2025. As I waited in the lobby in front of the Joint Collector's chambers, Dr. Vinod Kumar warmly greeted me while passing through and acknowledged the good work we're doing! He mentioned that he had already advised the Joint Collector to attend the Super 60 event. I'm blown away by his simplicity, care, and genuine interest in the Abhaya community!

I invited him to visit Super 60 at his convenience and inspire our young kids - and he graciously accepted!

As directed by him, I met Sri Shiva Narayan Sharma IAS, Joint Collector, and briefed him about Abhaya and Super 60. He assured me he'll attend our inaugural event on April 5th!

Huge thanks to these exceptional civil servants for their empathy and support! -
