

A Humble Tribute to Sri Gowra Venkata Ratnam (100)

His devotion to Shirdi Sai Baba was inspiring, and his response to Sri Sathya Sai Baba's question, "What do you want?" was truly profound: "Nothing."

His selflessness, humility, and unwavering faith continue to guide us on our own spiritual journeys. His legacy lives on, reminding us that true happiness lies in detachment and devotion.

He is the settlor behind SMILES NGO which is running Sr Citizens Home and an Orphanage for the past 2 decades. Team abhaya wish to extend their gratitude to the departed SoulDear and heartfelt prayers for the wellbeing of his family members.

May his spirit continue to inspire us to seek the divine within. - Balachandra
