

A Proud Milestone for abhaya – 12A & 80G Renewed!

We are delighted to share that abhaya Foundation has received the renewal of 12A and 80G approvals from the Income Tax Department, Government of India.

The 80G approval has been granted for the next 7 years, valid until 2032.

This recognition is a testament to the meaningful work abhaya has been doing for the past two decades and the transparency and integrity we uphold in serving society.

We sincerely thank the Government of India for encouraging and supporting non-profits that work for the welfare of the deserving.

Our heartfelt gratitude goes to every abhaya SoulDear who has stood with us, believed in the mission, and strengthened this journey of service.

With Love & Gratitude

Team abhaya
