

I'm increasing my monthly contribution to ₹3,000 for abhaya's noble cause. Despite our infrequent meetings, I wholeheartedly believe in abhaya mission and am deeply impressed by its impactful activities.

I'm confident that each contribution will be utilized for the betterment of the needy.

Thank you for leading abhaya with dedication and for giving me the opportunity to be part of this noble journey. - Sreekumar, Bengaluru

Saluting each and every SoulDear of abhaya who religiously and regularly donate every month for years!! It's only due to their unwavering faith and support, we are able to serve the deserving in the Society. Long live Kindness. DoNation...it means Doing4Nation!! 🙏🇮🇳
