

### "A Lifelong Bond of Gratitude"

I'll never forget the turning point in my life when Robinson Subramanyam introduced me to the remarkable T Raghunatha Reddy (TRR) in 1998. At a crossroads after completing my CS Inter and training at NATCO, Hyderabad, TRR gave me an opportunity to work with Bhavana Investors, despite being an advocate by profession. His kindness and trust changed my trajectory.

Three decades later, our bond remains unbroken. TRR and his family have been like a second family to me, and they've been closely associated with me and abhaya for over 20 years. Recently, we spent quality time together, and I'm grateful for his continued guidance and support. 🙏💖 - Balachandra
