

KS&KVG Education Trust, Hyderabad founder by KV Gupta in the year 2013 and presently he is 90 years and known to us since a decade. They wish to transfer the available funds to abhaya Foundation with an intention to close their trust due to their advanced age.

It's a privilege to have such trust looking at as a trusted NGO to carry their legacy.

All the trustees of KS&KVG Trust along with their Auditors met the Team abhaya at Hyderabad and formally agreed on the proposal.

We offer our prayers for their wellbeing.

With ❤️ : Team abhaya
