

abhaya Super 60: Higher Education Scholarship & Career Guidance Programme Update

Date: May 30, 2025: abhaya Foundation conducted a significant follow-up meeting with shortlisted students from the Super 60 Merit Test, aimed at empowering meritorious and economically disadvantaged youth from Andhra Pradesh and Telangana.

Shortlisting & Attendance

Out of 22 selected students, 10 students attended the meeting. These students showcased impressive ranks in competitive entrance exams and demonstrated confidence in securing admissions into reputed government institutions.

Scholarship & Support Commitment

abhaya Foundation decided to support Super 60 students. All attendees submitted the necessary applications and documents as per abhaya Higher Education Programme guidelines.

abhaya has committed to comprehensive support for these students until they achieve stability in their careers and lives. An annual budget of ₹6,00,000 has been allocated for this initiative, generously funded by Regal Rexnord through their CSR initiatives.

Career Guidance Highlights-

The session included a dynamic career guidance interaction, led by Founder Balachandra, who shared insights for their career ahead.

Insights for higher Education from the Mentors

Dr Ramanamma, Principal, and Rajani, teacher, TSRSJC, Borabanda discussed the career possibilities based on students' ranks. They emphasized value-based living, mobile discipline, and avoiding distractions during adolescence.

Dr. P. Thirumalesh, abhaya SoulDear, underlined the importance of consistent learning beyond intermediate education for long-term success.

Dr. P. Sai Latha, abhaya Board Member, offered guidance on: Higher education preparedness, Health and stress management and Effective use of technology for learning

Transforming Lives

This initiative stands as a symbol of hope and empowerment. With dedicated mentorship, financial support, and a strong value system, Abhaya Super 60 scholars are on a path to becoming compassionate, capable, and impactful citizens. - Team abhaya
