

The Founder extended his heartfelt gratitude to Ms. Sharavathy, The Dietician at Sri Sathya Sai Institute of Higher Medical Sciences in Bengaluru, for her invaluable guidance on a diet that helped regulate blood sugar levels. Thanks to her expert advice and the addition of regular exercise, a remarkable improvement was seen in the individual's health, with HbA1c levels dropping from 7 to 5.8. Thanks to Sri Anna and Sri Sathya Sai - Team abhaya
