

I had the privilege of visiting Sri Sathya Sai Institute of Higher Medical Sciences in Bengaluru, where I offered prayers at the Divine Lotus feet of Bhagawan Sri Sathya Sai Baba. The hospital with no billing counter, provides comprehensive and world class medical care free of cost to all, embodying the true spirit of compassion. It's a beacon of hope and healing for countless people, fueled by love and service. May this legacy of love and service continue to inspire generations. Drawing inspiration from Sri Sathya Sai, we resolve to love all - serve all.
