

Sunday Thoughts: Umbrellas, shielding from heat, are yielding profits for vendors.

Dear Friends!

For those braving the scorching sun to earn a living, a simple umbrella can be a lifeline. Come, let's join abhaya Hunt the Summer initiative and be the shade that shelters them. Let's turn empathy into action – every umbrella donated is a step towards empowering our street vendors. Be part of the change. Support abhaya's mission to serve the deserving on our roadsides. - With ❤️: Balachandra
