

Founder's Visit to abhaya Synchrony Empowerment Center, Madgula

The Founder visited the abhaya Synchrony Empowerment Center in Madgula, Nalgonda District, Telangana on 9th June 2025. Upon arrival, he was warmly welcomed with flower petals by the trainees, though he humbly advised them against the gesture, emphasizing simplicity.

During his visit, he:

- Inspected the dresses stitched by the trainees, offering constructive feedback on areas for improvement.
- Engaged in a meaningful discussion on essential life skills and financial literacy, empowering them with valuable insights.

Inspired by the Founder's guidance, the trainees acknowledged their shortcomings and committed to enhancing their learning process over the next 30 days. This visit reflects our organization's dedication to holistic empowerment and growth. - Team abhaya
