

"Everything that's good... possible only when everyone comes together selflessly"... This is what exactly happened at TSRS & JC, Vangara, Hanmakonda, Telangana...The long pending wish of having a spacious library of 600 Girl Students turned into reality with the support of F5 Networks Innovation Pvt Ltd, Hyderabad whose effort is further powered by TSRS & JC, Students and Staff lead by abhaya Foundation for the past 3 months. The environment is now conducive to young girls to improve their knowledge. Thanks to hundreds of SoulDears who stood by the cause of improving the standards of Govt Schools in the country. Our application to Ms Surekha, Principal, TSRS & JC, Vangara for her tireless efforts in getting this done with her sincere attitude of gratitude. There is an opportunity to provide the books for these libraries at Vangara, Kodakandla & Yedapally. Interested people may stay in touch with us. The Library is being inaugurated on 15th March 2024 at 11AM. - Team abhaya
