

IGNITING YOUNG MINDS: An Inspiring Session at Thandur!

On February 4th, 2025, Swamy Balachandra mesmerized 500 rural college students at People's Degree College, Tandur, with an innovative session titled "Once Upon a Time".

In collaboration with LNR Yuva Sena, students from various colleges joined the session, exploring purpose of life, life skills, soft skills, and girls' safety.

Swamy Balachandra's energetic session built hope for better progress in their lives. He awarded cash prizes for outstanding responses and announced FREE soft skills training for unemployed rural youth at abhaya Home of Happiness, Ibrahimpatnam, in association with CommercePro Academy.

The session concluded with Swamiji initiating a cleanliness drive, inspiring many to join him in cleaning the premises!

Let's spread positivity and inspire young minds!
