A Son's Love for His Mother: A Beautiful Reason to Give

Fw: Hi Uncle 🙌, how are you? It's been so long since we met, but I've been following everything through WhatsApp — and I'm always inspired by the amazing work you do ❤️.

Your kindness and selflessness in dedicating your birthday to a cause bigger than yourself truly speak volumes ✨. As a small gesture from my side, and with prayers for my mother's well-being 🙏, I'm happy to make a small donation of Rs.5880/- 🌸.

Wishing you good health, happiness, and the strength to keep making a difference 🌸.....

Advance happy birthday uncle 🎂🎂❤️❤️

Take care, Uncle!
