

Standing by Deserving, Bonding with the FUTURE!!

Sunday Thoughts: Standing by Deserving, Bonding with the Future!

Dear Friends,

We don't just help anyone. We stand with those who have the merit, hunger, and character to rise — they just need a fair chance. Let's choose to be empathetic, not sympathetic.

When we support the right people today, we're not doing charity. We're building tomorrow. Every deserving life we uplift becomes a foundation for the future of our society.

We have selected the top 20 deserving students out of 180+ Super 60 students from both Telugu states. Identifying those with merit and supporting them until they are settled is on our agenda. We are sincerely trying to give them the push they need with the support of abhaya SoulDears like you.

In alignment with this thought, Padma Shri awardee Ramesh Gelli has come forward to support 5 students. If you are interested in being part of such an initiative, please let us know.

With love,

Balachandra
