

Sunday Thoughts: Not every car is bought for comfort.

We are at abhaya, acquired to reach a suffering person...

To carry medicine...

To stand beside a family in distress...

To serve when help cannot wait!

🚗❤️ A Car Isn't a Luxury... It's a Means to Care & Curing Those in Need!

When driven with compassion, every mile becomes meaningful.

When guided by purpose, every journey becomes service.

With such thoughts, we dedicate abhaya Innova Hycross Hibrid VX to serve the cause. -
