

Sunday Thoughts: ఆకలి (Hunger) - ఆలోచించు (Think), కష్టించు (Effort) లిఖించు (Write).
Dear friends...what's true hunger (ఆకలి)...It's not starving for food, but rather starving for a cause. Think about it, put in your best efforts, and only then we can write our own destiny.

My Birthday Fund Raiser (8th March - 8th April 2024) could pool about Rs.3.5 lakhs for the cause of abhaya Bhavita (Girls Safety Mission) in 7 days of my appeal. I profoundly thank those 200 SoulDeards who understood my hunger and lent their hands in support.

Please donate any amount in multiples of Rs.55/- to abhaya Foundation and join me in creating awareness about girls' safety in the country. That would be the best birthday wish you could give for my 55th birthday. - Balachandra
