Sustaining lives together: abhaya, TSSSIA & Govt. of Telangana's fight against TB

abhaya, in collaboration with the Telangana Small Scale Industries Association (TSSSIA) and the Government of Telangana, has launched a noble initiative to combat tuberculosis (TB) in Peddapally Dist., to provide nutritious food baskets to 500 TB patients, identified by the govt health department, for a period of 6 months.

A total of 3000 food baskets, valued at ₹25 lakhs, will be distributed over the next 6 months. This sustained support will provide essential nutrition to these patients, aiding in their recovery.

The entire project cost has been sponsored by various industry members of TSSSIA, Hyderabad, through abhaya Foundation. This generous gesture demonstrates the industry's trust and faith in abhaya's mission.

The food baskets are scheduled to be distributed starting from the fourth week of March, coinciding with World TB Day on March 24th. - Team abhaya
