

## Bhavita to reach 100 Schools and 10000 Students in AP

### abhaya Bhavita: Spreading Hope and Empowerment

On February 26th, our Founder seized the opportunity to share the mission of abhaya Bhavita at the Super 60 Entrance Exam held at the abhaya CCL Campus in Rotarypuram, Anantapuram.

The event drew a large crowd of over 500 students, 50 teachers, and 200 parents. Inspired by the Founder's session and call to action, approximately 30 volunteers stepped forward to conduct similar sessions and distribute posters and calendars in their locations.

With their collective efforts, we aim to reach: 100 Government High Schools, 10,000 Students and 1,000 Teachers across Andhra Pradesh within the next six months.

We extend our gratitude to the volunteers and look forward to the positive impact of this initiative. - Team abhaya
