## A Pillar of Purpose: Regal Rexnord's Social Impact

At Regal Rexnord, service is not a department—it is a mindset. Every initiative supported is a quiet promise to communities that they are seen, valued, and empowered. Through this

partnership with abhaya Foundation, what began as responsibility has grown into a movement of hope—educating young minds, restoring dignity, healing environments, and rebuilding futures.

This is an invitation to every reader: to believe that meaningful change begins when we choose to serve.

True leadership is measured not only by innovation and growth, but by the positive footprint left on society. Regal Rexnord exemplifies this belief through its long-standing partnership with abhaya Foundation for half a decade—where strategy aligns with service, and vision translates into measurable social impact. Service is most powerful when it becomes collective.

What you will read in the following pages is not just an impact report—it is evidence of what happens when individuals, institutions, and communities come together with a shared commitment to good.

Regal Rexnord's journey with abhaya Foundation reminds us that every act of service, big or small, creates ripples of change. Let this inspire each of us to participate, contribute, and become active partners in building a more equitable and compassionate world.

It stands as a call to leaders everywhere: to lead with empathy, invest with intent, and serve with conviction.

## Leadership with Purpose: Measuring Social ROI Beyond Balance Sheets:

**Anirudh Patil, Chief Financial Officer of Regal Rexnord, Hyderabad, has been instrumental in advancing the organization's commitment to transparent governance and impactful CSR. A valued partner of abhya Foundation for several years, his leadership has enabled meaningful service to underserved communities. We thank him for graciously sharing his time and insights for this special interview.**

**1. CSR today demands strong governance. How does Regal Rexnord ensure transparency and accountability in CSR spending?**

CSR contributions at Regal Rexnord are approved by the CSR Committee as well as the Board of Directors.

We ensure that all relevant and mandatory documents are thoroughly verified for any expenditure to be classified as CSR.

Further, all contributions are made directly to the CSR partners or beneficiaries through bank transfers only, ensuring complete transparency and accountability.

**2. From a financial perspective, what challenges and opportunities did you observe in implementing the 2025 CSR projects?**

I would say that we did not encounter any challenges. On the contrary, we had the opportunity to serve the needy. Moreover, all the projects we funded were fully aligned with Regal Rexnord's CSR values, making the implementation both meaningful and fulfilling.

**3. How do you evaluate the 'Return on Social Investment (RoSI)' for the initiatives implemented with abhya Foundation?**

We evaluate the return by looking at the number of lives we have touched and the quality of happiness we were able to contribute to those lives.

At Regal Rexnord, we strongly believe in giving back to the communities where we operate. We understand that without the community, it is not possible to work—and without work, there are no returns.

In essence, our CSR contributions, especially in the education sector, are helping build stable and dignified lives for the underprivileged. Some of these boys and girls will advance in their careers and contribute to India's progress. That, to me, is a true and meaningful Return on Social Investment.

#### 4. What parameters do you consider before approving multi-year CSR commitments?

We carefully evaluate the purpose behind the activity. We define a clear roadmap on how the funds will be utilised. We review the entire proposal and engage in detailed discussions with the beneficiary organisations.

Finally, we enter into a formal legal agreement with the concerned entities to ensure there is no deviation in the utilisation of funds.

#### 5. A personal reflection—has participating in CSR decisions changed your perspective on business leadership?

It certainly has. I have developed greater empathy towards people and situations than before. Beyond decision-making, visiting beneficiaries and personally engaging with them has provided tremendous insights. It has helped me truly understand the value of what we have and how privileged we are.

At times, I do feel emotional about the circumstances in which some beneficiaries live. A small helping hand from Regal Rexnord enables them to build a better life—and nothing can be more satisfying than that.

Any positive change or growth in me as an individual naturally reflects in my role as a business leader as well.

## EDUCATION - Reinforcing Government School Infra

Strong education systems are built not only on curriculum and teachers, but on the quiet essentials that make learning possible. In many government schools, aspirations are abundant—but basic infrastructure often determines whether those aspirations can truly take flight.

This is where responsible corporate partnership becomes a powerful enabler. By stepping in where public resources face limitations, Regal Rexnord has helped convert everyday constraints into lasting solutions. What may appear as modest interventions—adequate lighting, safe roofs, clean water, functional furniture, secure classrooms—create profound ripple effects in the lives of children, teachers, and parents alike. These improvements restore dignity to learning spaces and reaffirm faith in government education.

With the CSR support of Regal Rexnord, abhaya Foundation addressed critical infrastructure gaps across multiple government schools, ensuring safer, brighter, and more functional environments for students to learn and grow.

## Infrastructure support undertaken includes:

1. Extension of the dining hall shed at TGRS & JC, Velair, Hanumakonda
2. Grill around the dining shed at ZP Girls High School, Bukkapatnam, Sri Sathya Sai District, Andhra Pradesh
3. Lights and fans in the study area(Shed),  
Bookshelves and Racks in SSS Govt Junior College, Kothacheruvu
4. Lights and fans in the study area(Shed) in ZPHS, Beedupalli
5. Replacement of iron sheets on the roof of bathrooms in ZPHS, Yenumulapalli
6. Rack shelves for library books in ZPHS, Kadapagari Palli
7. Grill to the shed and doors for toilets in ZPHS, Sainagar, Puttaparthi
8. Doors and Windows to 2 classrooms in ZPHS, Siddarampuram
9. Mike Set in ZPHS Boys, Kothacheruvu
10. 200 iron benches at SK Government High School, Uravakonda

Their humble support of 20lakhs is not a small amount in benefitting 4000 children of all those schools.

**An investment of Rs. 20 lakhs has quietly strengthened the everyday learning experience of nearly 4,000 students—not through grand monuments, but through meaningful, practical improvements that touch classrooms, dining halls, libraries, and sanitation spaces.**

Through this partnership, Regal Rexnord demonstrates that when infrastructure is reinforced with intention and care, education becomes not just accessible, but empowering. These schools now stand better equipped—not only to teach, but to nurture confidence, continuity, and hope for the future.

## EDUCATION – Nurturing Minds, Shaping Futures

### ASK Tuition Centres: Lighting the Lamp of Values

At abhaya Foundation, we believe that service to society is service to the Divine. Inspired by the compassionate vision of our founder Balachandra, we run ask (abhaya sanskara kendras)—spaces where children are nurtured not only in learning, but in values, discipline, and character through free tuition centers across Andhra, Telangana, Karnataka and Tamilnadu states of South India.

Guided by the SAI principle of transformation Service, Adoration and Illumination, we focus on the holistic growth of children, nurturing their physical, mental, emotional, and moral development from a young age.

The ask initiative was initially implemented across 30 centres. Based on continuous monitoring, outcome assessment, and student engagement, the programme has since been strategically consolidated to 10 high-performing centres to maximise efficacy, quality of delivery, and measurable impact.

## What We Practice, What Children Become

At ask Centres, we begin every class with Omkaram in a clean and peaceful environment that honours all faiths. We teach children to greet with respect, maintain personal hygiene, speak politely, pray daily, eat mindfully, and live with discipline.

Through stories, songs, games, group activities, diary writing, and value-based discussions, children learn teamwork, responsibility, and compassion. Festivals, traditions, great leaders, and cultural values are introduced meaningfully, helping children stay rooted while growing forward.

### Regal Rexnord CSR: Empowering Young Minds

**With the generous CSR support of Regal Rexnord, abhaya Foundation runs ask across four South Indian states, benefiting 400 students and 10 teachers with an annual grant of ₹6 lakhs.**

**This partnership strengthens value-based education at the grassroots, ensuring that underserved children grow with confidence, clarity, and character.**

### Shaping Today's Children into Tomorrow's Ideals

The ask book becomes a guiding light in young hands, reminding children that when values enter daily life, every action becomes meaningful. We sincerely acknowledge the generous support of Regal Rexnord, whose CSR funds made the printing of this book possible. On behalf of all those

touched by this initiative, we express our heartfelt thanks to the organisation and its leadership. Together, abhaya Foundation and Regal Rexnord continue to light the lamp of sanskar—one child, one centre, one community at a time.

## EDUCATION - At life's first crossroads, Telangana Super 60 becomes a turning point When Guidance Meets Potential, Futures Change

For every child, Class X stands at the edge of a turning point—where dreams quietly take shape and choices begin to define a lifetime. While students in well-resourced private schools often receive structured mentoring and clarity of direction, many government school children face this decisive year with uncertainty, limited exposure, and fragile support systems. Their talent is no less—but the pathways before them are often blurred.

**Recognising this silent gap, the Telangana Super 60 Programme was conceived as a focused intervention to bring direction, confidence, and opportunity to deserving government school students. Inspired by the success of Andhra Super 60, this initiative took shape with the compassionate CSR support of Regal Rexnord, whose contribution of Rs. 5 lakhs enabled a programme of depth, discipline, and dignity**

The response was overwhelming—over 2,500 students registered, reflecting both the aspiration and urgency among young learners. Through a rigorous three-stage selection process evaluating academic consistency, learning attitude, and parental commitment, 75 students were thoughtfully chosen for a 30-day residential learning journey. Conducted in

April 2025 at abhaya – Home of Happiness, Ibrahimpatnam, the programme blended expert entrance coaching for TGRSJC and POLYCET with value-centered guidance delivered by dedicated government teachers.

More than preparing students for examinations, the Super 60 experience shaped character and clarity. Children lived a rhythm of responsibility—caring for their surroundings, sharing meals, tending gardens, maintaining journals, participating in prayer, and learning through stories drawn from real life. Each child was provided with essential learning and living materials, ensuring comfort, confidence, and continuity.

The outcome was deeply affirming: every participant secured admission into institutions for higher education they once only dreamed of. What began as a month of learning became a lifelong imprint—one that replaced confusion with confidence and hesitation with hope.

## EDUCATION - From Aspiration to Achievement: Supporting Higher Education Pathways

Some journeys are interrupted not by lack of talent, but by lack of support at the most fragile moment of life. When capable young minds stand at the threshold of higher education, financial hardship often threatens to silence their aspirations. abhaya Foundation steps in at this decisive hour—not as a sponsor, but as a steady presence—walking beside deserving students with the care, responsibility, and reassurance of a parent.

**With the generous CSR grant of Rs. 1,50,000 from Regal Rexnord, 20 meritorious students this year were enabled to continue their higher education across diverse streams including medicine, engineering, chartered accountancy etc.,**

Beyond covering college and hostel expenses, the initiative nurtures continuity and belonging through monthly online review meetings, two annual in-person gatherings, and shared participation in seasonal service activities. Many students, even while still studying, choose to give back in small but heartfelt ways—transforming gratitude into generosity and reinforcing a quiet but powerful cycle of social responsibility.

## **EMPOWERMENT – Building Self-Reliance & Dignity**

**When Opportunity Reaches the Last Mile: A Story of Women Rising**

**Empowerment That Begins Where the Road Ends**

At abhaya Foundation, empowerment does not begin in cities or comfort zones—it begins in remote villages, where access to opportunity is limited but the will to rise is strong. Our approach is simple yet powerful: identify, include, skill, sustain.

We deliberately choose interior rural locations, appoint local teachers from the same community, and conduct awareness campaigns to ensure that women understand this is not merely a course—but a pathway to dignified living.

### **Reaching the Most Deserving**

From each village, applications are scrutinized with compassion and responsibility. Priority is given to women from:

- 1) Economically weaker backgrounds
- 2) Broken or single-parent families
- 3) Households affected by poor health
- 4) Unemployed and illiterate women
- 5) Families with no stable source of income
- 6) Downtrodden families

Before initiating the program, strict guidelines and expectations are clearly communicated—ensuring commitment, discipline, and long-term outcomes.

### **Skill With Shelter, Skill With Support**

abhaya's three-month tailoring program is offered in both:

Residential formats, where women are fully immersed in learning

Non-residential formats, allowing participation without disrupting family responsibilities

Beyond technical tailoring skills, the program is enriched with life skills, self-confidence building, financial awareness, and dignity of labour, personally delivered through sessions by abhaya's Founder Sunku Balachandra and Women Empowerment Director Krishna Veni Rangarao during field visits.

## EMPOWERMENT - Transforming Lives Through Life Skills and Livelihood Training

### abhaya Ananda Nilayam – Where Skill Meets Sanskar

Beyond Beauty: A Journey from Survival  
to Self-Worth

abhaya Ananda Nilayam, an initiative of abhaya Foundation, has emerged as a powerful centre of transformation for young women from remote and underserved villages. Around 50 students from interior regions of Nalgonda district, Rangareddy districts and nearby areas joined the centre with the intention of learning beautician skills for livelihood.

What they found here, however, was far more than vocational training—it was a life-changing journey of self-discovery, discipline, and dignity.

### When the First Step Outside Home Becomes the First Step Toward Confidence

For many training students, abhaya Ananda Nilayam marked the first time they stepped out of their homes. The initial days were filled with fear, hesitation, emotional barriers, and uncertainty.

Gradually, the structured, safe, and value-based environment helped them overcome these limitations. With patience and consistent guidance, fear transformed into courage, and silence into confident expression.

### Discipline That Shapes Character, Not Just Routine

The day at ashramam begins at 6 a.m. with yoga, cultivating physical strength, mental balance, and self-discipline. Students actively participate in karma yoga, contributing to ashram maintenance and learning the dignity of labour, teamwork, and responsibility.

Simple yet powerful practices like arranging footwear systematically, managing personal chores independently, cooking and serving food, avoiding food wastage, gardening, cleanliness, following strict time discipline have played a crucial role in shaping character and self-reliance.

### Life Skills That were Never Taught

Respect for elders, community dining, appreciation of nature, heartfelt prayers, bhajans, and daily diary writing are integral to the learning process. Through diary writing, students reflect on their daily actions, recognize mistakes, acknowledge learning, and consciously work on self-improvement.

What initially appeared as strict discipline soon revealed itself as motherly care blended with fatherly responsibility. Students realized that firm guidance was rooted in deep concern for their future.

## Guidance That Replaces Fear with Courage

Through reading the Compass book authored by the founder, students gained practical life lessons closely connected to their own struggles. While social media once defined their world, they now use platforms like YouTube constructively—to enhance professional beautician skills and learning.

They are encouraged to align thoughts, words, and actions, a principle that has deeply influenced their personal growth and emotional maturity.

## Beautician Training: Skill That Creates Self-Reliance

"When confidence meets skill, empowerment becomes visible."

### As part of the vocational program, students receive hands-on training in:

Eyebrow threading, Hair styling, Head massage, Facials, waxing, pedicure, manicure, Blackheads removal, Bridal make up, saree draping, Mehendi and other beautician techniques

This practical exposure equips them for self-employment and financial independence, enabling them to support themselves and their families.

**CSR in Action:** Regal Rexnord Empowering Women with Purpose. With the valuable CSR support of Regal Rexnord, abhaya Foundation successfully conducted three batches of beautician training at abhaya Ananda Nilayam.

### Key Impact Highlights:

- 50 women beneficiaries trained
- Professional beauty kits and certificates provided
- ₹5 lakhs invested through CSR funds
- Each woman now earns approx ₹8,000 per month

Stable monthly income leading to improved family security and self-confidence. What began as a modest financial investment has resulted in long-term economic empowerment, restoring hope and dignity to entire families.

## A Blessing That Lasts a Lifetime

Many students openly share that these life lessons were never taught at home or elsewhere. Today, they feel equipped to face life's challenges with strength, clarity, and courage. In challenging economic times, abhaya Foundation—supported by responsible corporates like Regal Rexnord—stands as a pillar of hope, empowering women through skills, values, and sustainable livelihood.

By observing their mentor's life, students have learned that true greatness lies not in position, but in goodness, humility, and values. Their understanding of family, responsibility, and service to society has been profoundly reshaped.

For these young women, abhaya Ananda Nilayam is not just a training centre. It is a blessing that has transformed their lives forever.

## EMPOWERMENT - Powering the Nation by Empowering Youth

### abhaya Free Driving Schools – Steering Lives Towards Dignity

abhaya Foundation strongly believes that the true power of a nation lies in the empowerment of its youth. Education opens doors to multiple possibilities in life and livelihood. However, for many uneducated rural youth, especially those from economically disadvantaged backgrounds, options are limited and opportunities scarce.

Recognising this gap, abhaya Foundation established abhaya Free Driving Schools across various parts of the country—with a clear mission: to provide free, value-based driving education to the most deserving rural youth, enabling them to earn a livelihood with dignity and responsibility.

**This year at abhaya Ananda Nilayam, with the kind hearted support of Regal Rexnord...the Foundation successfully trained 30 deserving young men from different regions—creating immediate livelihood opportunities with a modest investment of just Rs. 3,00,000, demonstrating how focused intervention can yield powerful social returns.**

### More Than Driving: A Residential Course That Shapes Life

The 20-day free residential driving course is designed not just to train drivers, but to build disciplined, responsible, and value-driven individuals.

Along with professional driving skills, participants undergo a structured routine that includes:

Yoga and meditation, Vehicle upkeep and cleanliness, Prayer

## • Rejuvenation of Koliyanoor Lake

Koliyanoor Panchayat, located in Villupuram District, has seen the restoration of Koliyanoor Lake, which originally spanned 2 acres, to a size of 39 acres through the removal of encroachments and rehabilitation efforts supported by Regal Rexnord and the Abhaya Foundation.

THE KOLIYANOR PANCHAYAT LAKE, SPANNING 37 ACRES, HAS BEEN ENCROACHED UPON BY OVER 50 INDIVIDUALS OVER THE PAST 75 YEARS. IT HAS BEEN UTILIZED AS A DUMPING GROUND FOR GARBAGE, MEAT WASTE, HUMAN WASTE, AND HAZARDOUS MEDICAL WASTE, RESULTING IN A DEPLORABLE ODOR. CONSEQUENTLY, THE GROUNDWATER LEVEL IN THE VICINITY OF KOLIYANOR HAS DIMINISHED, WITH SOME AREAS EXPERIENCING BROWNISH GROUNDWATER AND A LACK OF WATER IN AGRICULTURAL BOREWELLS. THE AREA HAS BECOME PERILOUSLY MALODOROUS. AN ACTION PLAN WAS DEVELOPED FOLLOWING EXTENSIVE STUDIES AIMED AT THE RECONSTRUCTION OF KOLIYANOR LAKE, THE PRIMARY WATER SOURCE FOR VILLUPURAM DISTRICT. THE ENCROACHMENT ON THE 37-ACRE LAKE WAS ADDRESSED THROUGH THE INVOLVEMENT OF YOUTH, SOCIAL ORGANIZATIONS, AND LOCAL RESIDENTS. A 20-ACRE SECTION OF THE LAKE WAS RECONSTRUCTED AT A COST OF RS. 32 LAKHS. SUBSEQUENTLY, A PROJECT REPORT WAS SUBMITTED TO MR. BALACHANDER OF THE ABHAYA FOUNDATION FOR THE SECOND PHASE OF THE INITIATIVE, WITH AN ESTIMATED BUDGET OF RS. 17,64,433. FOLLOWING THE STUDY, PLANS WERE ESTABLISHED TO RECONSTRUCT KOLIYANOR LAKE WITH THE SUPPORT OF REGAL REXNORD, IN PARTNERSHIP WITH THE ABHAYA FOUNDATION. CONSEQUENTLY, WORK COMMENCED ON AUGUST 15, 2023, INVOLVING THE CONSTRUCTION OF SUBSTANTIAL BANKS MEASURING 25 FEET IN WIDTH OVER A TWO-KILOMETER STRETCH.

THE 15-ACRE LAKE HAS BEEN DEEPEMED AND FEATURES THREE BIRD SANCTUARIES IN THE ARID REGION. PRESENTLY, THE LAKE IS ENTIRELY FILLED WITH WATER DURING THE NORTHEAST MONSOON, SERVING AS A MODEL WATER BODY IN TAMIL NADU AND A PROTECTED AREA THAT BOASTS A RICH NATURAL BIODIVERSITY.

## Stitching Dreams...Stunning the World: 25 Women Empowered @ Janagam

Today marked the end of a 90-day free tailoring program at Janagam. It was a proud moment for the 25 women who completed the course

### Beyond Just Teaching

Padma kept heart and soul into this batch. Even when she wasn't feeling well she attended the classes and she treated every student like her own child. The bond she built was so strong that by the end of the session, many students were in tears. Even though it was only a three-month course, they felt the same sadness as friends graduating from school after many years.

The "TAILOR" Success Mantra

The founder spoke to the women about a simple TAILOR mantra to help them succeed:

- \* T – Time
- \* A – Accuracy
- \* I – Involvement
- \* L – Love your work
- \* O – Opportunity
- \* R – Right Royal life

He encouraged them to be trendsetters in their work. In response, the students promised to spend at least 6 hours every day on their machines to earn a good living and support the abhaya mission in return.

## A Day of Learning and Celebration at abhaya Sanskara Kendra, Kamakoti Nadaswara Pathashala, Bengaluru

The abhaya Sanskara Kendra at Ajjagondanahalli village, Bengaluru, resonated with life and laughter this evening. abhaya Balachandra Swamiji's visit was a highlight, as he engaged students in a session on vocabulary building, encouraging them to learn 5 new words daily from a dictionary. The students actively participated, sharing new words they learned, and Swamiji tested their English vocabulary.

Emphasizing the importance of learning, Swamiji highlighted the significance of Writing, Reading, Listening, and Thinking. He also encouraged the students to maintain their books with care.

The evening was made special with a birthday celebration for one of the students. Swamiji taught them a birthday song and a song of gratitude, instilling a sense of appreciation and community. The students also learned about the importance of gratitude before meals and the fascinating workings of the human stomach, which was explained as having four parts: one part for solid food, one part for liquids, one part for air, and one part empty. This engaging session was a wonderful way to foster knowledge and community among the students. - **Vinod, Teacher, Kamakoti Nadaswara Pathashala, Bengaluru**

ఇబ్రహీం పట్నంలో అడవి ప్రాంతంలో ఉన్న అభయ ఆనంద నిలయం చలి తీవ్రత ఎక్కువగా ఉండే ప్రాంతం. ఇక్కడ నివసిస్తున్న వృద్ధుల ఆరోగ్యం, భద్రతను దృష్టిలో ఉంచుకుని వారికి అవసరమైన దుస్తులు, స్వేటర్లు, సాక్సులు, దుప్పట్లు అందజేస్తూ చూసుకోవడం మాత్రమే కాదు ప్రతి గదిలో ఉష్ణ యంత్రాలు పెట్టడం జరిగింది. చలి

నిజంగానే భయం కలిగిస్తోంది. అందరూ వేడి నీళ్ల స్నానం చేసేందుకు ఏర్పాట్లు చేశారు.

ఈ నెలలో డా. శూలపాణి తమ సిబ్బందిని ద్వారా ఆశ్రయవాసులందరికీ ఆరోగ్య తనిఖీలు నిర్వహించారు. అంతే గాక ఆశ్రమానికి అవసరమయిన ఔషధాలు కూడా అందించారు.

ఈ నెలలో కొత్తగా మీరాబాయి అనే వృద్ధ మహిళ నడుము విరిగిన సమస్యతో, కన్న బిడ్డలున్నా ఆశ్రయం లేక తన కుమారుడు భాస్కర్ తో కలిసి అభయను ఆశ్రయించింది. రాజ్యలక్ష్మి ఆసుపత్రిలో వైద్య పరీక్షలు చేయించగా, ఈ వయసులో శస్త్రచికిత్స సాధ్యం కాదని వైద్యులు సూచించడంతో, ప్రస్తుతం మందులతో చికిత్స కొనసాగుతోంది. తల్లిని చూసుకునే బాధ్యత కుమారుడిదైతే, ఆ ఇద్దరినీ చూసుకునే బాధ్యతను అభయ ఆనంద నిలయం స్వీకరించింది.

ఇక్కడ కొందరికి డబ్బులేదు, కొందరికి ఆశ్రయం లేదు, మరికొందరికి ప్రేమగా పలకరించే వారు లేరు. అలాంటి “ఏమి లేని వారికి” తానే ఒక తల్లిలా మారి, ఆదరించి, అక్కున చేర్చుకుంటున్న పవిత్రస్థలం అభయ ఆనంద నిలయం.

ఈ నెలలో వ్యవస్థాపకుల అమ్మ గారు ఆశ్రమాన్ని సందర్శించారు. ప్రతి విషయానికీ చేదోడు-వాదోడుగా నిలుస్తూ, అందరికీ పెద్ద దిక్కుగా ఇక్కడే ఉన్నారు. అలాగే అభయ ఆత్మబంధువు సందేశ్ గారు తమ విలువైన సమయాన్ని అభయ సేవకు అంకితం చేస్తూ, రెండు రోజుల పాటు ఆశ్రయవాసులతో కలిసి గడిపారు. అభయ సిబ్బంది వెంకట్ గారు,

డైవర్ నాని గారు తమ బాధ్యతలను నిబద్ధతతో నిర్వహిస్తున్నారు.

ఆశ్రమ ప్రాంగణంలో ఉన్న రాము, రాణి అనే కుక్కలకు నాలుగు చిన్న కుక్క పిల్లలు పుట్టడంతో, వాతావరణమంతా సందడిగా, ఆనందంగా మారింది.

త్వరలో ఆశ్రమానికి సంబంధించిన సమస్యలు అన్నీ తొలగిపోవాలని భగవంతుని హృదయపూర్వకంగా ప్రార్థిస్తున్నాను.

ప్రతినెలా మహర్షి రైస్ మిల్ నుండి శ్రీమతి అనిత శ్రీనివాస్ గారు 100 కేజీల బియ్యం ధాన్యంగా అందుతోంది. వారి ప్రేమతో కూడిన సేవకు, ఆదరణకు మేము ఎల్లప్పుడూ కృతజ్ఞులం. ఆ భగవంతుడు వారికి అన్ని విధాలా తోడుగా ఉండాలని ప్రార్థిస్తున్నాము. ఇటువంటి దాతల సహకారంతో ఆశ్రయవాసులు మాత్రమే కాకుండా, ఉచిత ఉపాధి శిక్షణ కోసం వచ్చే కుట్టు, డ్రైవింగ్, బ్యూటీషియన్ శిక్షణార్థులు, విద్యార్థులు, సందర్శకులు ఎంతో లాభం పొందుతున్నారు.- **మంగ, అభయ కోఆర్డినేటర్, అభయ ఆనంద నిలయం, ఇబ్రహీం పట్నం.**

## **Higher Education Scholarship | Nurturing Futures, One Month at a Time**

Through the abhaya Higher Education Scholarship, young minds from diverse academic pathways are being quietly yet consistently supported on their journey toward excellence. At present, 15 students pursuing advanced studies in medicine, doctoral research, engineering, NITs, polytechnic education, and pre-university courses are being mentored and sustained—ensuring that academic expenses, accommodation needs, examinations, and daily study requirements never become obstacles to ambition.

Beyond financial assistance, founder and abhaya secretary places strong emphasis on continuous engagement and personal care. Students remain closely connected through structured online interactions, periodic academic updates, and one-to-one mentoring whenever possible. This month reflected notable academic momentum, with several students demonstrating progress through examinations, research contributions, interviews, and scholarly publications—clear indicators of focused learning and growing confidence.

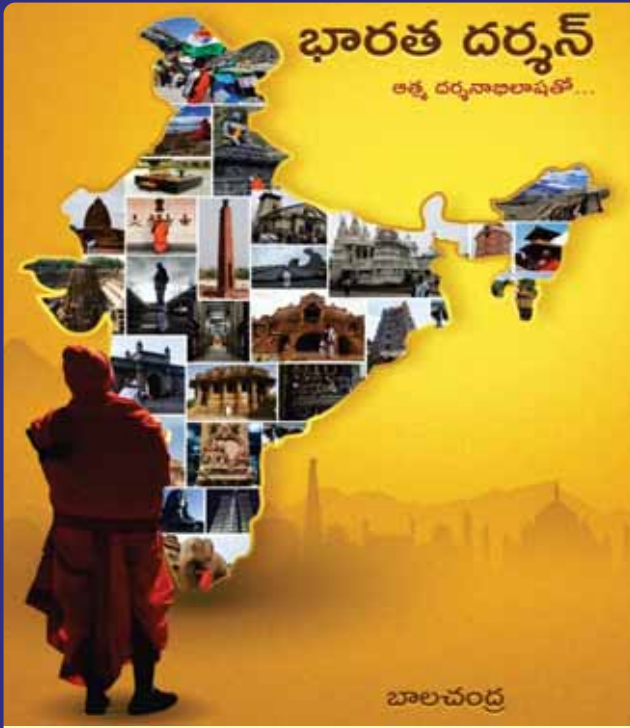

Alongside academics, students are actively participating in NCC and NSS initiatives, sports, and fitness activities—nurturing both mental resilience and physical well-being. These experiences are shaping them into balanced individuals, grounded in discipline and teamwork.

A particularly moving highlight of the month was their participation in “Hunt the Winter”, a seasonal service activity. For many, this marked their first experience of collective service beyond classrooms. The opportunity to give back left a deep emotional impact, fostering empathy, gratitude, and a renewed sense of purpose.

Overall, the month stood as a testament to steady progress, personal growth, and heartfelt appreciation—reflecting the spirit of responsibility and service that abhaya seeks to cultivate in every scholar. - **Team abhaya**

గత సంచిక తరువాయి భాగము...

విష్ణు గయ క్షేత్రంలో వేలాది మంది పిండ ప్రధానం చేసి ఆలయం దగ్గర అన్న ప్రసాదం పెడుతూ ఉన్నారు. శ్రీ రాముల వారు తన తండ్రి అయిన దశరథ మహారాజు గారికి ఒక్కడే కర్మలు నిర్వహించారని చెబుతారు.

నేను అటునుండి ఫల్గుణి నది ఆవతలి వడ్డునున్న సీతాకుండ్ దర్శించుకున్నాను. ఇక్కడ ఇంకొక కథ కూడా

సీతామాతకి సంబంధించి ఉన్నది అదేమిటంటే ఆ నదిని, ఆవుని, తులసిని అగ్నిని, బ్రాహ్మణుని అమ్మవారు శపించిన కథ.

పురాణ కథనం ప్రకారం దశరథ మహారాజు గారి పిండ ప్రధానానికి వస్తువులు తీసుకురావడానికి శ్రీరామ లక్ష్మణులు వెళ్ళినప్పుడు అమ్మవారు నది ఒడ్డున ఉన్నప్పుడు దశరథుని ఆత్మ ఆమె దగ్గరికి వచ్చి నాకు ఆకలిగా ఉంది కర్మల ఆచరించి పిండ ప్రధానం చేయమని అడిగిందట. అమ్మవారి దగ్గర కావాల్సిన వస్తువులు లేకపోవడంతో నది ఒడ్డున ఉన్న ఇసుకను తీసుకొని, సాక్షులుగా ఆవుని, అగ్నిని, బ్రాహ్మణుని, కేతక పుష్పాన్ని, వటవృక్షాన్ని, తులసిని తీసుకొని పిండ ప్రధానం చేశారట. శ్రీరామ లక్ష్మణులు తిరిగి వచ్చిన తర్వాత సాక్ష్యం అడిగితే ఒక వటవృక్షం తప్ప, అందరూ అబద్ధం చెప్పారట ఆగ్రహించిన అమ్మవారు ఫల్గుణి నదిని ఉపరితలంపై నుంచి అదృశ్య అవమని (ఇప్పటికీ కొంత తవ్వితే కానీ మన కర్మలు నాచరించడానికి నీరు రావు) అంతర్గతంగా ప్రవహించమని, ఆవుని నోటితో అబద్ధం చెప్పింది కాబట్టి ముఖ భాగాన్ని పూజించరని, బ్రాహ్మణుడు అబద్ధం చెప్పాడు కాబట్టి అతను ఎన్ని వస్తువులు వచ్చినప్పటికీ అసంతృప్తి గానే ఉండి ఇంకా ఎక్కువ కావాలని ఆశతో ఉండాలని, తులసి గయ ప్రాంతంలో కనిపించకూడదని, అగ్నిని అక్కడ పూజించరని, కేతకీ పుష్పం పూజకు పనికిరాదని, పిండ ప్రధానం చేస్తున్న వాళ్లు వటవృక్షానికి పూజ చేస్తే కానీ ఆ ఫలితం రాదని వరం ఇచ్చిందని చెబుతారు. చాలా విచిత్రంగా వుంది కదా కథ.

రామాయణ, మహాభారతాలకి సంబంధించిన ప్రదేశాలు, బుద్ధులు, జైనులు, సూఫీలు, సిక్కులు, గాంధీ తదితరులకు సంబంధించిన ప్రదేశాలు ఉండడం వల్ల బీహార్ ని పుణ్యభూమి అని అంటారు. ఆ మాటకి వస్తే మన భరతభూమి, ఒక పుణ్య భూమి, కర్మ భూమి అందువల్లనే దేవుళ్ళు కూడా ఇక్కడ జన్మని తీసుకోవాలని కోరుకుంటారు.

**బుద్ధ గయ:**

నేను అక్కడి నుంచి బౌద్ధ మత పుణ్య స్థలాల్లో ఒకటైన బుద్ధగయకు ప్రయాణమయ్యాను. ఇక్కడ బుద్ధుడు జ్ఞానోదయం పొందారని చెబుతారు. ఇక్కడున్న మహా బుద్ధ ఆలయ సముదాయం ప్రపంచ వారసత్వ ప్రదేశం. నేను

బుద్ధుడి జీవితము ఆయన లక్ష్మ్యం గురించి సంక్షిప్తంగా ఆలోచిస్తూ చాలా సమయం అక్కడ గడపగలిగాను.

నేను మహా బోధి ఆలయం చంకర్ మాన్సల్, బోధి చెట్టు, వజ్రాసన, అనిమిషలోచన స్థూప, రత్నఘర్ ఆచవల్ వృక్షము, ముచాలింద్ ట్యాంక్ బుద్ధిని జ్ఞానోదయ కథలలో ప్రతి దానికి కూడా గొప్ప ప్రాముఖ్యత కలిగి వుంది అని చెప్పాలి.

నేను బుద్ధగయ క్షేత్రంలో దేవాలయానికి చుట్టూ ఉన్న బౌద్ధ ఆరామాలన్నిటినీ సందర్శించాను. ప్రపంచంలోని దేశ దేశాలలో బౌద్ధ ఆరామాలు కట్టబడి ఉన్నాయి. కానీ బుద్ధగయను భూమి మీద ఉన్న అత్యంత శక్తివంతమైన ప్రదేశంగా పరిగణిస్తారు.

**దశరథమాంజి పర్వతమనిషి :** నేను బుద్ధగయ నుంచి

రాజఘర్ కి వెళ్లే మార్గంలో దశరథమాంజి గ్రామము గెహ్లోర్ ను సందర్శించాను.

ఆయన నా జీవితానికి

ఒక స్ఫూర్తి. దాదాపు 15 సంవత్సరాల క్రితం ఈనాడు ఆదివారం పత్రికలో ఆయన కథ చదివాను, నేను హైదరాబాద్ సాయి యూత్ గ్రూప్ లో సేవలు చేసే సమయంలో అతని కథ ఆధారంగా ఒక డ్రామాను సత్యసాయిబాబా ముందు ప్రదర్శించే ప్రయత్నం చేసాము. ఆయన కోసము బాబా ఆశీర్వాదాలు తీసుకుందామని ఆశతో చేసాము. ఆ సమయంలో నాకు ఆయనను కలిసే అదృష్టం కలిగింది.

The road built by Dashrath Manjhi

**ఆయన కథ ఏమిటి అంటే! ఇలా సాగింది.**

గేహరా పర్వతాలు ఒకప్పుడు పల్లపు ప్రదేశాన్ని రెండుగా విభజించి ఉంచినవి, ఎత్తు తక్కువగా ఉన్నప్పటికీ భయంకరమైనవి. వాటిని ఎక్కాలి అంటే వెన్నెముకను శ్రమ పెట్టేవి. వాస్తవానికి గ్రామ ప్రజలందరూ పొలాలకి, స్కూల్ కి వెళ్లడానికి ఈ కొండలు ఎక్కి మైళ్ళ దూరము ప్రయాణించవలసినదే కానీ మంజి భార్య ఫాగుణి మరణంతో ఈ పరిస్థితులన్నీ మారిపోయాయి. ఒక ఇరుకు కొండ మీదుగా భర్తకు ఆహారం తేవాలని ప్రయత్నిస్తూ ఉన్నప్పుడు ఆమె జారి పడిపోయి తీవ్ర గాయాల పాలైంది. సమీప వైద్య సదుపాయము 40 మైళ్ళ దూరంలో ఉంది. ఆ ప్రమాదం జరిగిన కొద్ది కాలంకే ఆవిడ చనిపోయారు.

భార్యను కోల్పోయిన నష్టాన్ని, బాధని చవిచూసిన మాంజి ఇకమీదట అలాంటి విషాదము ఇంకా ఎప్పుడు ఏ ఇంట్లోనూ జరగకూడదని నిర్ణయించుకొని... తన వద్ద ఉండే చిన్న పాటి పరికరాలు తీసుకుని కొండను పగుల గొట్టడం మొదలుపెట్టాడు, తద్వారా తన గ్రామస్థులందరికీ ఒక మార్గం ఏర్పరచాలని అతని సంకల్పం. కానీ ఆయన తన గ్రామస్థులు చేత వేళాకోళం చేయబడినప్పటికీ, ప్రభుత్వం అతని పనులను పట్టించుకోనప్పటికీ, ఆ విషయాలను తను లెక్క చేయకుండా కఠోర శ్రమతో విరామం ఎరుగకుండా ధైర్యంగా, పట్టుదలగా పనిచేశాడు. ఎన్నో ఏళ్లు ఇలా పని చేశాడు. నిదానంగా ఒక మార్గం ఏర్పడింది కొంతకాలం అలా గడిచాక ప్రజలు ఆయన కఠోర దీక్షని పనిని చూసి ఆయనను గౌరవించి ఆయన

కావాల్సిన పరికరాలు భోజనాలు ఇవ్వటం మొదలుపెట్టారు ఆయన్ని పర్వతమనిషి అని పిలిచేవారు.

ఇక ఆయన 22 ఏళ్ల పాటు నడుము విరిగేంతగా చేసిన కఠోర శ్రమ తర్వాత 360 అడుగుల రోడ్డుని 1982లో ఆయన పూర్తి చేశారు. గ్రామస్థులకు కొండ చుట్టూ మైళ్ళ దూరం ప్రయాణించే బాధ తప్పి సులువైన మార్గం ఏర్పడింది.

ఇప్పుడు ఆ మార్గం ఆ గ్రామ ప్రజల సురక్షిత ప్రయాణానికే కాకుండా చిన్న చిన్న వాహనాలకు కూడా ప్రయాణిండానికి అనుకూలమై ఉన్నది. ఒక మనిషిలో దాగున్న

ఆశ్చర్యకరమైన ఓర్పు అద్భుతమైన శ్రమకు నిదర్శనమే ఇది. ఆ గ్రామానికి పేరు కీర్తి ఆయన శ్రమ వల్లనే వచ్చాయి. ఇప్పుడు గవర్నమెంట్ ప్రత్యేక శ్రద్ధ కనబరిచి ఒక హాస్పిటల్ ఇతర సౌకర్యాలను కల్పించింది తద్వారా ఆ ప్రాంతంలోని వేలమంది కుటుంబాలకి విశ్రాంతినిచ్చింది ఒకే ఒక సాధారణ వ్యక్తి చేసిన పని. ఈ వాతావరణం మొత్తం మార్చివేసింది.

Together, the founder and Bhavita volunteers have reached nearly two lakh individuals, spreading practical safety principles and confidence-building insights at the grassroots level. ## ఉత్తర ద్వారమా?? ఉత్తమ మార్గమా!!

సంవత్సరానికి ఒక్కసారి  
వచ్చే వైకుంఠ ఏకాదశి రోజున  
ఉత్తర ద్వార దర్శనం చేసుకుంటే  
ఉత్తమ గతులు వస్తాయా?

లేక...

ప్రతి రోజు మన జీవితాన్ని  
ఉత్తమ మార్గంలో భగవద్ ప్రీత్యర్థం  
నడిపిస్తే నిజమైన ఉత్తమ గతులు సిద్ధిస్తాయా?

మనమే వైకుంఠ ద్వారం దగ్గరకు వెళితే  
భగవంతుడు స్వీకరిస్తాడా?

లేక మన జీవన విధానం పవిత్రమైతే భగవంతుడే  
మనకు ఎదురు వచ్చి అనుగ్రహిస్తాడా?

## నిజమైన వైకుంఠ ద్వార దర్శనం ఏది?

ఏకాదశి నాడు గుడిలో అడుగు  
పెట్టడం పుణ్యం కావచ్చు.  
కానీ ప్రతి రోజు మన హృదయంలో  
దేవుడిని నిలుపుకోవడం నిజమైన భక్తి.

ఒక రోజు దేవాలయంలో ఉత్తర  
ద్వారం తెరుచుకుంటుంది.  
కానీ ప్రతి రోజు మన మనసులో  
విలువల ద్వారం తెరిచే వుంటుంది...  
అందులో నుండి మనం వెళ్లగలిగితే  
హృదయమే నిత్య వైకుంఠం అవుతుంది.

ఉత్తమ కర్మలే మనకు నిజమైన  
ఉత్తర ద్వారం అవుతాయి.

భగవంతుడు మనలను ఒక రోజు పరీక్షించడు...  
మన మొత్తం జీవన విధానాన్ని పరీక్షిస్తాడు.

వైకుంఠానికి దారి దేవాలయంలోని ఉత్తర ద్వారం  
కావచ్చు...కానీ ఖచ్చితంగా వైకుంఠం చేరడం  
మాత్రం మన నడవడిలోనే ఉంటుంది.

భక్తి అంటే ఉత్తర ద్వార దర్శనం కాదు...  
భగవదర్పిత జీవన విధానం.

పుణ్యం ఒక రోజుతో కాదు...  
ప్రతి రోజు చేసే ఉత్తమ కర్మతో.

మోక్షం మరణానంతరం కాదు...  
బ్రతికున్నప్పుడే చేసే సత్కర్మల ఫలితం.

వైకుంఠం ద్వార దర్శనంతో మోక్షం  
వస్తుందో లేదో తెలియదు...  
కానీ మన జీవితములో చేసే ఉత్తమ  
కర్మల వలన తప్పక ఆవిష్కృతమవుతుంది.

ఇట్టి భావాలతో ఈ రోజు దేవుణ్ణి  
దర్శించుకుందాం...మన జీవితాన్నే  
ఒక సాధనగా మార్చుకుందాం.

ప్రేమతో... మీ బాలచంద్ర

## Serving in Sillence

On a sacred and meaningful occasion of the Centenary, a quiet act of selfless generosity unfolded.

An elderly woman chose to offer a part of her lifelong savings, amounting to Rs. 1,00,000, with a heartfelt intention that it be used solely for the service and empowerment of underprivileged young women.

No name was shared.  
No ackn was sought.  
Only the joy of giving & satisfaction of service.

Such silent contributions remind us that true giving does not seek visibility. It flows from compassion, lived values, and a deep sense of responsibility towards society. May this simple yet powerful gesture inspire many to give selflessly, in their own way, for causes that uplift and transform lives. - **Team abhaya**

## సమస్యలున్నా...సేవకు విరాళం!

సమస్యలు అందరికీ ఉంటాయి... కానీ సమాధానంగా నిలబడేది మాత్రం కొందరే

నిన్న జరిగిన అభయ ఛారిటీ డిన్నర్కు శ్రీనివాస్ గారు వ్యక్తిగత కారణాల వల్ల హాజరు కాలేకపోయారు. సికింద్రాబాద్ హాస్పిటల్లో ఉన్న వారి అత్తమ్మ గారికి మేజర్ సర్జరీ జరిగిందని తెలియజేశారు.

అలాంటి పరిస్థితుల్లో, మేము వారిని "రావద్దు... అక్కడే ఉండి సాయం చేయండి" అని చెప్పడం జరిగింది.

కానీ ఈ రోజు - అన్ని పరిస్థితుల మధ్య కూడా...సమస్యలున్నా...

సేవకోసం తమ వార్షిక విరాళాన్ని పంపించి, సేవ పట్ల తమ నిబద్ధతను మాటలకన్నా చేతలతో చాటారు.

ఇది విరాళం కాదు...

ఇది ఒక విలువ!

ఇది ఒక బాధ్యత!!

ఇది సేవా భావం!!!

ఇది నిజమైన భాగస్వామ్యం

ఇలాంటి మనుషులే సంస్థలను నిలబెడతారు, సేవను ముందుకు నడిపిస్తారు.

శ్రీనివాస్ గారికి మనస్ఫూర్తిగా ధన్యవాదాలు వారి కుటుంబ సభ్యులు కోలుకోవాలని ఆకాంక్షిస్తూ... - **abhaya Foundation**

## Spreading Love Through Service: Charity Dinner

Heartfelt thanks to the abhaya SoulDears - Mallikarjuna, Md Ramjan, Venkatesh, Santhosh & others! For a decade, these members of Humanity have contributed not just donations (over 2,00,000 pa!), but also medicines, groceries & time to serve those in need. We pray for their well-being - **Team abhaya**

## Bharat's Triumphant Achievement: Conquering the Seven Summits of the World

Bharat Scales New Heights, Literally!

Heartfelt congratulations to abhaya SoulDear Bharat on this extraordinary feat! Having successfully scaled Mt. Vinson Massif, the highest peak in Antarctica, Bharat proudly stands on the pinnacle of achievement, having conquered the 7 Summits - the highest peaks across each continent!

### The Silent Force Behind abhaya

abhaya SoulDear Srinivas is the most committed volunteer of abhaya Foundation for 2 decades. He has been personally nurtured by the founder and guided to learn computers. He started associating with abhaya with the News Letter Editorial Team one and a half decades ago. He is the man behind bringing our newsletter month after month without a break. Every month, he

spends more than 24 hours during nights and after office hours, putting his best into the pages. We have nothing to offer for his selfless work except appreciation. His publications have brought many big and small people to connect with abhaya. Awesome, he is! - **Team abhaya**

Founder had the privilege of meeting CS Rajavolu Venkata Ramana, Member of ICSI Central Council, New Delhi, and discussing CSR initiatives and the way forward. - Team abhaya

# An APPEAL to abhaya SoulDears

abhaya SoulDears!

abhaya's "Mission to Serve with H.E.A.R.T" has inspired thousands globally to join our noble cause. Over the past 19 years (since 2006), we've received kind-hearted donations from approximately 50,000 well-wishers.

Most donors respond to appeals published in our monthly newsletters, social media, and word-of-mouth campaigns. Remarkably, every appeal has received a response over the past one and a half decades, with the support continuing to this day.

We're especially grateful to 180 abhaya SoulDears who have consistently donated regularly, empathizing with our mission and values. Their monthly, quarterly, half-yearly, or yearly support has been instrumental in our growth. If each of these donors continues their monthly support, we'll have access to resources totaling approximately Rs 5.00lakhs (+/- 20%) per month.

We've carefully compiled the data of these dedicated donors and acknowledge their contributions with heartfelt gratitude. We apologize if any names have been inadvertently missed.

With three abhaya campuses in Hyderabad, Anantapuram, and Bengaluru, we're serving those in need. We've consistently responded to every challenge, pooling funds to support affected communities. As an NGO, resources are essential for our operations.

We kindly request all well-wishers to consider a monthly donation of Rs. 1,000 or multiples thereof, supporting our good work and enabling us to meet growing expenses. A monthly donation of Rs. 10 lakhs would greatly help us stand firm.

Thank you for your continued support. - **Balachandra, Founder, abhaya Foundation**
